To Prospective Parents of Darling College

We are delighted that you are considering Darling College as a school for your child.

1. Please read through the prospectus and complete the Application Form in black ink.
2. Include the R200 application fee.
3. Place the completed forms, as well as the R200 in the folder and return to the school's office, before the end of the second term to ensure the enrolment procedure continues.
4. School fees and payment
 - i) Currently the school fees amount to R2385.00 per month per child Gr 1 - 7. Pre-school fees are R950.00 per month per child. School fees are reviewed annually in October and are subject to change.
 - ii) Payment of school fees can be paid over 12 months via debit order by no later than the 7th of each month.
 - iii) Annual development levy of R1400 applies to each child from Gr 1 – 7 and R600 for Gr R and RR.
 - iv) Once off entrance fee of R2500 payable on acceptance into the school (only applicable to Gr 1 – 7 students).
 - v) Our bookkeeper, Jacqui Sherwood, will also be available to answer any questions concerning school fees (Ph: 022 492 3429).
 - vi) 10% discount on monthly school fees is available for families with a second child enrolled at the school. Parents already on financial assistance may not make use of this offer. Please notify the office in writing if you would like to make use of this offer.

Please note that submitting the application form does not necessarily reserve a place for your child in a grade. If your application is successful you will be informed by the principal. In case of a prospective gr. 1 learner, parents will be informed in October. A full package, pertaining to the learner's admission will then be sent to you. This includes the contract, dress code, Disciplinary Code of Conduct and Computer Class Code of Conduct, Grievance Procedure for parents.

Kind regards

Peter Niklaus
